Circlejerk vs Counter-circlejerk

As long as Fortune dangles from my ear
Taliban bullets cannot pierce my helmet.
Golden showers over Hermosa Beach
I throw myself here at your feet.
Nah, JUST KIDDING. That was Gaia,
our Great Mother, speaking through me.

Welcome to the shine side of high shine,
we have a huge range of inspiring verses.
Wait, I thought Honey Boo Boo Child
is supposed to be the star of this show?

That's when people started downvoting Idle Hope
because they think I'm a hive-minded circlejerker.
Don't bother scrolling to the bottom of the screen,
it's just fake Putti blowing bubbles. All the way down.
