8-Bit Rainbows

for Hatsune Miku

Nyan! Across the deep blue sky I ride on 8-bit rainbows!

Pink icing & sprinkles keep me warm in space's limbo!

Nyan! The best of 2 great worlds! Half kitteh cat! Half Pop Tart!

Loping past the twinkling stars, I'm YouTube's cutest mutant!

Nyan! The earworm burrows! *Nyanyanyanya* round and round!

Synth at first, then metal! Now orchestral! More profound!

Nyan! You know the words! Sing with me! LOL eleven!!

Play it backwards! Mix in Bieber, Pikachu or Pac-Man!

Nyan! Just in it 4 the lulz! Yr latest unicorn chaser!

Heir 2 Rage Face, Star Wars kid & IMMA FIRE MY LASAR

Nyan! Not hard 2 understand! No hidden subtext here!

Vocaloid tune & anigif & distracts u from whatever!

Nyan! A meme like any other: here today then gone!

Enjoy this transient happy gift & then pls pass it on!
